

CONTRACTORS POLLUTION

More than just job site coverage, Midlands provides contractors comprehensive protection for their pollution exposures. There are significant gaps in the contractors' general liability policy regarding environmental exposures. Protect your clients against pollution losses with a single policy at an affordable price - place those risks with Midlands.

COVERAGES

- Legal liability
- Defense costs in addition to policy limits
- Mold
- Third party claims for bodily injury, property damage and environmental damage from pollution conditions caused by construction and remediation operations
- Excess liability, workers compensation and auto liability available
- Prior acts available
- Completed operations coverage
- Transportation pollution liability
- Coverage for owned or leased locations

HIGHLIGHTS

- Limits up to \$21,000,000
- Blanket exposures or project specific
- Occurrence or claims made
- Competitive prices with deductibles starting as low as \$0
- Multiple coverage options available for risk customization
- Transportation pollution liability
- Superior claims handling, service and benefits coordination
- A.M. Best rated "A" or better carriers
